**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a big believer in competition in business especially in our mobile and internet providers. The shrinking competition increases prices and reduces customer care and service. As a customer of Sonic, I appreciate the fact that they are local and attentive to our localities needs.

I oppose the US telecom petition.
